  - (b) All leases, use agreements, service agreements or other agreements in the nature thereof (however denominated) with respect to the Equipment under which Borrower is the lessor, the owner or other equivalent party including, without limitation, the Lease Agreement dated May 7, 1997 between Borrower and National Railroad Passenger Corporation (including any successor, "Lessee") and Schedules A, B, C, D and G thereto and the Lease Agreement dated February 12, 1999 between Borrower and Lessee and Schedules A through H thereto, as the same have been amended through the

  - (i) any and all cash and non-cash proceeds of any of the foregoing.
- Section 3. <u>Representations</u>. Borrower represents and warrants that the following statements are true and correct as of the Closing Date:

- (a) Borrower's principal place of business is its address for notices set forth in the Loan Agreement. The only places where it keeps or proposes to keep any Records is such address, as well as 220 Juana Avenue, San Leandro, California 94577.
- (b) No financing statement, security agreement, assignment of lease or other similar document has been signed or filed covering Borrower's right, title or interest in or to any Collateral other than those naming Secured Party as secured party hereunder.
- (c) Borrower holds and will at all times hold all the Collateral free and clear of all Liens (other than the security interest created by this Agreement and Permitted Liens).
- The security interest granted to Secured Party hereunder constitutes a valid security interest under the Uniform Commercial Code, as now or hereafter in effect (the "UCC"), securing the Secured Obligations. When (i) a UCC financing statement has been filed with the UCC filing office of the California Secretary of State naming Borrower as debtor and covering the Collateral and (ii) this Agreement and the Assignments of Leases have been filed with the office of the United States Surface Transportation Board, the security interest granted to Secured Party hereunder shall constitute a perfected security interest in the Collateral to the extent that a security interest therein may be perfected by filing pursuant to (A) the UCC and (B) the Interstate Commerce Commission Termination Act of 1995, respectively. To the extent that Section 9-311(a) of the UCC may govern perfection of Secured Party's security interest in items of Equipment to which title is registered under a certificate-of-title statute or regulations promulgated thereunder, the security interest granted to Secured Party hereunder shall constitute a perfected security interest therein upon issuance by the applicable Department of Motor Vehicles of certificates of title thereto naming Borrower as owner and Secured Party as secured party.
- (e) On the Closing Date, upon the funding of the Loan, Borrower will have paid or caused to be paid the full purchase price for the Equipment under the Purchase Agreement.
- (f) Borrower has all necessary authority to encumber and grant a security interest in the Collateral.
- (g) The Equipment is insured in accordance with the terms of the Lease Agreements.
- (h) To Borrower's knowledge, the Equipment subject to the Leases is described and properly identified by serial, running or other identifying mark and number in such Leases.
- (i) The original executed counterpart of each lease agreement and schedule included in the Leases that has been delivered to Secured Party by Borrower is the only original executed counterpart of such lease agreement or schedule, and Borrower is not aware of any duplicate original executed counterpart of any such lease agreement or schedule except as may be in the possession or control of Lessee.

### Section 4. Covenants.

- (a) Borrower shall keep accurate records pertaining to the Collateral. At any time during business hours after at least two Business Day's notice, Secured Party or its representatives may examine and make copies of and abstracts from such records.
- (b) If Secured Party shall request a statement identifying or describing any or all Collateral, Borrower shall promptly provide an accurate and complete statement.
- (c) Borrower shall, at its own expense, defend its title to and the existence and first priority of Secured Party's security interest in the Collateral against all adverse claims.
- (d) Borrower shall, at its own expense, take any action (including the execution and delivery, or the recording, filing, rerecording or refiling with the United States Surface Transportation Board or any other filing or recording office, of any financing statements, continuation statements, or similar documents that Secured Party may reasonably request) to (i) perfect, continue, maintain, preserve and protect the security interest purported to be created hereby as a first priority security interest in all of the Collateral, (ii) enable Secured Party to exercise and enforce its rights and remedies or (iii) otherwise effect the purposes of this Agreement.
- (e) Borrower shall not change its name or its jurisdiction of incorporation unless it shall have previously notified Secured Party and duly filed in the appropriate jurisdiction a UCC financing statement or amendment covering the security interests created by this Agreement naming itself as debtor under any such new name with such address as may be required under the UCC.
- (f) If any of the Equipment is in the possession or control of any warehouseman or bailee or any of Borrower's agents or processors, Borrower shall notify such Person of Secured Party's security interest therein and cause such Person to acknowledge in writing its agreement to hold such Equipment for the account of Secured Party and subject to Secured Party's instructions.
- (g) If so requested by Secured Party, Borrower shall request, under Section 14 of the Lease Agreements, that Lessee plainly, distinctly, permanently and conspicuously place, fasten or paint upon each side of each item of rolling stock included in the Collateral a legend bearing such words as Secured Party may request indicating the Lien over and security interest in such rolling stock created hereby in letters not less than three-quarters of one inch (3/4")in height. Borrower may permit the rolling stock to be operated within the United States, but shall not permit the rolling stock to be operated outside the boundaries of the continental United States, and in Canada and Mexico (to the extent permitted under, and subject to the requirements of, the Leases).
- (h) Borrower will pay or cause to be paid when due all Taxes imposed upon the Collateral, except that, if such Taxes have not become a Lien on any of the Collateral, they shall not be required to be paid to the extent they are being contested in good faith, by appropriate proceedings diligently conducted and an adequate reserve or other

appropriate provision shall have been established therefor in accordance with generally accepted accounting principles.

(i) Borrower shall faithfully abide by, perform and discharge each and every material obligation, covenant, condition, duty and agreement which, under the terms of the Leases, is to be performed by Borrower.

# Section 5. Special Provisions relating to the Collateral.

- (a) After notice from Secured Party and the continued failure of Borrower to do so, but without having any obligation to do so, Secured Party may perform or pay any obligation that Borrower has agreed to perform or pay under this Agreement including the payment or discharge of Taxes or Liens levied or placed on or threatened against the Collateral. In so performing or paying, Secured Party shall determine the action to be taken and the amount necessary to discharge such obligations. Borrower shall reimburse Secured Party on demand for any amounts paid by Secured Party pursuant to this Section 5(a), which amounts shall constitute Obligations secured by the Collateral.
- (b) For the purpose of protecting, preserving and enforcing the Collateral and Secured Party's rights under this Agreement, Borrower hereby appoints Secured Party, effective upon the occurrence of an Event of Default, with full power of substitution, as its attorney-in-fact, with full power and authority to do any act which Borrower is obligated to do, or Secured Party has the right to do, under this Agreement including, without limitation, any act specified in Section 6 and to exercise such rights with respect to the Collateral as Borrower might exercise. Borrower also authorizes Secured Party at any time to execute and file in Borrower's name any financing statements, supplemental security agreements, amendments and continuation statements, or similar documents necessary or desirable to perfect or continue the perfection of Secured Party's security interests in the Collateral. Borrower hereby ratifies all that Secured Party shall lawfully do or cause to be done by virtue of this appointment.
- (c) The powers of attorney created in Section 5(b) are powers coupled with an interest and are irrevocable. The powers conferred on Secured Party hereunder are solely to protect its interests in the Collateral and shall not impose any duty upon Secured Party to exercise such powers. Secured Party shall be accountable only for amounts that it actually receives as a result of the exercise of such powers and in no event shall Secured Party or any of its directors, officers, employees, agents or representatives be responsible to Borrower for any act or failure to act, except for gross negligence or willful misconduct. Secured Party may exercise such powers of attorney without notice to or assent of Borrower, in the name of Borrower, or in Secured Party's own name, from time to time in Secured Party's sole discretion and at Borrower's expense.
- (d) Borrower shall (i) deliver to Secured Party the original executed counterpart of each lease agreement and schedule included in the Leases, and (ii) maintain a copy of each Assignment of Lease as endorsed by the United States Surface Transportation Board to indicate the date and time such Assignment was filed and the recordation number under which it was filed.

- (e) It is expressly agreed by Borrower that, anything herein to the contrary notwithstanding, Borrower shall remain liable under each Lease to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with and pursuant to the terms thereof. Secured Party shall have no obligation or liability under a Lease by reason of or arising out of this Agreement or the assignment of a Lease to Secured Party or the receipt by Secured Party of any payment relating to a Lease pursuant hereto, nor shall Secured Party be required or obligated in any manner to perform or fulfill any of the obligations of Borrower under or pursuant to a Lease, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any performance by Lessee under a Lease, or to present or file any claim, or to take action to enforce the observance of any obligations of Lessee under a Lease.
- (f) Secured Party recognizes the right of Lessee under each Lease to the quiet enjoyment of the Equipment that is subject to such Lease so long as Lessee is not in default under such Lease, and Secured Party agrees that it shall not interfere with such quiet enjoyment so long as no such default exists.

#### Section 6. Rights Upon Default.

- (a) If an Event of Default shall occur and be continuing:
- (i) Secured Party shall be entitled to all rights and remedies of a secured party under the UCC and any other applicable law;
- (ii) Secured Party may, without giving Borrower any notice of intention to sell or of the time or place of sale (except that Secured Party shall give to Borrower at least fifteen days' notice of the time and place of any proposed sale or other disposition of any Collateral), all of which are hereby expressly waived to the fullest extent permitted by law, sell at public or private sale or otherwise realize upon from time to time the whole or any part of the Collateral in or upon which Secured Party shall have a security interest or lien hereunder, or any interest which Borrower may have therein, and, after deducting from the proceeds of sale or other disposition of Collateral all expenses (including all out-of-pocket expenses for legal services) as provided in Section 7, Secured Party shall apply the residue of such proceeds toward the payment of the Obligations in accordance with Section 7, Borrower remaining liable for any deficiency remaining unpaid after such application and being entitled to any surplus after such application; and

#### (iii) Secured Party may:

- (A) enter upon the premises of Borrower, and take immediate possession of any Collateral, either personally or by means of a receiver appointed by a court therefor;
- (B) at its option, use, operate, manage and control the Collateral in any lawful manner;

- (C) demand, collect, receive, retain, and give acquittance for all rents, income, revenue, earnings, issues, profits, and proceeds of insurance, in each case relating to the Collateral;
- (D) endorse and cash any checks, drafts or other orders for the payment of money payable to Borrower relating to the Collateral, and negotiate any other instrument or compromise any claim relating to the Collateral, in each case, if desirable, in the name of Borrower;
- (E) perform or discharge any obligation or duty of Borrower under the Leases to the extent Secured Party may deem necessary or advisable to protect the security provided hereunder;
- (F) maintain, repair, renovate, alter or remove any Collateral as Secured Party may reasonably determine in its discretion;
- (G) file any claims or commence, prosecute or defend any action or proceeding relating to the Collateral as Secured Party may deem to be necessary or advisable, in the name of Secured Party or Borrower including, without limitation, a proceeding for the appointment of a receiver or similar official, and, to the fullest extent permitted by law, Borrower hereby waives any right to oppose such appointment;
- (H) sign and endorse any storage or warehouse receipts, drafts, certificates and statements under any commercial or standby letter of credit, assignments, leases, bills of sale, or other documents relating to the Collateral, including the Records; and
- (I) otherwise act in accordance with the rights, powers and interest assigned and granted to Secured Party pursuant to this Agreement.
- (b) If notice of any sale or other disposition is required by law to be given to Borrower, Borrower hereby agrees that a notice given as provided in subsection (a)(ii) hereof shall be reasonable notice of such sale or other disposition. Borrower agrees to assemble the Collateral (other than Equipment subject to a Lease under which Lessee is not in default) at such place or places as Secured Party reasonably designates by notice. At any such sale or other disposition, Secured Party may itself (except in the case of a private sale), and any other Person may, to the extent permitted by applicable law, purchase the whole or any part of the Collateral free from any right of redemption on the part of Borrower, which right is hereby waived and released to the fullest extent permitted by applicable law. Borrower agrees that fifteen days' notice of the time and place of any sale of Collateral is commercially reasonable notice.
- (c) Borrower agrees that a sale of any Collateral is a public sale pursuant to Section 9-610 of the UCC if (i) an offer to sell such Collateral has been advertised for at least one day in each of two consecutive weeks in a newspaper of general circulation in New York, New York and such sale is made more than ten days after the first such advertisement or (ii) such Collateral is offered to at least three bona fide offerees that Secured Party reasonably believes may be interested in that type of property. This shall

not constitute an admission that such offer is a public offering under any securities laws or that any other method of sale is not a public sale.

- (d) In case Secured Party shall have proceeded to enforce any right under this Agreement by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely, then in each and every case Borrower and Secured Party shall be restored to their former positions and rights hereunder with respect to the Collateral subject to the security interest created under this Agreement.
- Section 7. <u>Application of Proceeds</u>. Any proceeds of disposition of any Collateral shall be applied:

first, to Secured Party's expenses in enforcing its rights and remedies, including attorneys' fees and expenses,

second, to the satisfaction of the Secured Obligations, in the order and manner provided in Section 7.04 of the Loan Agreement,

<u>third</u>, to the payment of any other amount to Secured Party required by law, and <u>fourth</u>, to Borrower.

Borrower shall remain liable for any deficiency.

#### Section 8. Termination; Reinstatement.

- (a) This Agreement and the security interests created hereby shall terminate on the Termination Date. Upon termination, Secured Party shall take all actions necessary to release its Lien on the Collateral. Borrower shall pay all Secured Party's expenses (including attorneys' fees and expenses) in connection with such termination.
- (b) Without limitation of the restrictions in the articles of incorporation of Borrower, to the extent permitted by law, this Agreement shall continue to be effective or be reinstated if at any time any amount received by Secured Party in respect of the Obligations is rescinded or must otherwise be restored or returned by Secured Party for any reason whatsoever including, without limitation, upon the occurrence or during the pendency of any bankruptcy, reorganization or other similar proceeding, or any fraudulent transfer or similar proceeding, applicable to Borrower or the assets of Borrower, or upon or during the occurrence of any dissolution, liquidation or winding up of Borrower, all as though such amount had not been received.

### Section 9. Secured Party.

(a) Secured Party shall not be responsible or liable in any manner whatsoever for the sufficiency, correctness, genuineness or validity of any revenues, cash, payments, securities, investments or other amounts deposited with or held by it;

- (b) Secured Party shall be fully protected in acting on and relying upon any written notice, certificate, instruction, direction, request or other paper or document which Secured Party in good faith believes to be genuine and to have been signed or presented by the proper party or parties and may assume that any Person purporting to give such written notice, certificate, instruction, direction, request or other paper or document has been duly authorized to do so and shall be fully protected in acting on and relying upon any written notice, certificate, instruction, direction, request or other paper or document as to the due execution thereof and the validity and effectiveness of the provisions thereof and as to the truth of any information therein contained, which Secured Party in good faith believes to be genuine;
- (c) Secured Party shall not be liable for any error or judgment or for any act done or step taken or omitted except in the case of its gross negligence or willful misconduct:
- (d) Secured Party may consult with and obtain advice from counsel and other skilled Persons (at the expense of Borrower in the event of any dispute or question as to the construction of any provision hereof), and shall be fully protected in taking or not taking any action in good faith in reliance on such advice;
- (e) Secured Party shall have no duties except those which are expressly set forth in this Agreement and, to the extent not effectively waived by Borrower herein, under the UCC;
- (f) Secured Party may execute or perform any duty hereunder either directly or through its agents or nominees;
- (g) Secured Party may engage or be interested in any financial or other transaction with Borrower and may act on, or as depository or trustee for, any committee or body of holders of obligations of Borrower; and
- (h) Secured Party shall not be obligated to take any action which in its reasonable judgment would involve it in expense or liability unless it has been furnished with a reasonable indemnity therefor.

Section 10. <u>Rights Cumulative; Waivers</u>. To the extent permitted by law, Secured Party's rights and remedies shall be cumulative. Secured Party's exercise, failure to exercise or delay in exercising any right or remedy shall not prevent it from exercising any other right or remedy or exercising such right or remedy at a later time. To the extent permitted by law, Borrower waives and agrees not to assert any appraisal, stay, moratorium, marshaling or exemption laws, rule or doctrines. Borrower acknowledges that in the event of a breach or threatened breach by Borrower of its obligations hereunder, then notwithstanding anything to the contrary contained herein, Secured Party shall be entitled, to the extent permitted by law, to obtain, from a court of Secured Party's choice on an expedited basis, an injunction restraining Borrower from such breach. Borrower acknowledges that Secured Party's rights at law are inadequate to remedy any such breach and that Secured Party shall be entitled to such injunction upon such a breach or threatened breach, notwithstanding any contrary doctrine or rule. Nothing contained herein shall be construed as prohibiting Secured Party from pursuing any other remedy

set forth herein or any other remedies available at law or equity for such breach or threatened breach of this Agreement.

- Section 11. <u>Notices</u>. All notices, consents, directions, approvals, instructions, requests and other communications hereunder shall refer to this Agreement, shall be in writing and in English and shall be given in person, by overnight courier or telecopier (but only, in either case, if receipt shall have been acknowledged) or by registered or certified mail (postage prepaid, return receipt requested). All such communications shall be effective when received and shall be addressed as provided in the Loan Agreement.
- Section 12. <u>Severability</u>. If any provision of this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the remaining provisions shall continue to be valid and enforceable and such provision shall continue to be valid and enforceable in any other jurisdiction.
- Section 13. <u>Amendment</u>. Neither Secured Party nor Borrower shall be bound by any termination, amendment, supplement, waiver or modification of this Agreement unless such party shall have consented to it in writing.
- Section 14. <u>Headings</u>. The headings of the sections and subsections are for convenience and shall not affect the meaning of this Agreement.
- Section 15. <u>Benefit</u>. Secured Party may assign all or any part of its rights under this Agreement to any holder of a Secured Obligation. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.
- Section 16. <u>Counterparts</u>. The parties may sign this Agreement in any number of counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.
- Section 17. <u>Governing Law</u>. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO PRINCIPLES OF CONFLICTS OF LAW OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW.
